*Research is not a structured block. Instead, residents have 1 Wednesday afternoon per month devoted to research activities, as well as non-clinic time.

Vacations are requested and assigned throughout the year and are not structured as separate blocks.

Sites: 1. MedStar Washington Hospital Center 2. Veterans Affairs Medical Center 3. MedStar Georgetown University Hospital 4. Inova Fairfax Hospital
 5. Childrens National Hospital 6. Walter Reed National Military Medical Center 7. MedStar St. Mary's Hospital
